

set out policies in advance that are known to the organizers.

Mr. GILCHREST. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I hope the rally is conducted in a way that will make all of us proud.

Mr. Speaker, I reserve the balance of my time.

Mr. OBERSTAR. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I appreciate the remarks of the gentleman from Texas [Mr. STOCKMAN]. I would simply observe that if it was known in February, in our committee we work on a very bipartisan, cooperative basis. Had our side known about this, and had the gentleman from Maryland [Mr. GILCHREST] been fully informed about it at the time, we could have long ago resolved this matter in an appropriate, proper fashion.

I say this out of deep respect for the gentleman from Maryland, who is scholarly and thoughtful, professorial, deliberative in all his works, and for our full committee chair, the gentleman from Pennsylvania [Mr. SHUSTER] who has endeavored mightily to be open and fair and inclusive in the spirit of our committee over all of its years. It is painful to see something like this happen, in derogation of the committee process.

Again, to repeat, committees are supposed to be the filtering mechanism in this body, to provide information through us to the public, so people know and openly have an understanding of what we are about to do and what legislation we are about to enact, what access we are about to provide for this very precious Capitol Grounds.

I am glad that we have had this discussion. It would have been better to have had it in committee. We could have brought the bill to the floor, I think, knowing what we know now, under that unanimous consent procedure that was proposed, but I appreciate the gentleman from Maryland's willingness to make the effort in the future. I think the leadership of the House needs to operate in the same way.

In closing, I wish the sponsors of the rally a prayerful success.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. GILCHREST. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. UPTON). The question is on the motion offered by the gentleman from Maryland [Mr. GILCHREST] that the House suspend the rules and agree to the concurrent resolution, H. Con. Res. 166.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

#### GENERAL LEAVE

Mr. GILCHREST. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H. Con. Res. 166, the concurrent resolution just agreed to.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Maryland?

There was no objection.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 5 of rule I, the Chair will now put the question on each motion to suspend the rules on which further proceeding were postponed earlier today in the order in which that motion was entertained.

Votes will be taken in the following order: H.R. 1965, de novo; H.R. 2160, de novo; and H.R. 1772, de novo.

The Chair will reduce to 5 minutes the time for any electronic vote after the first such vote in this series.

#### COASTAL ZONE PROTECTION ACT OF 1996

The SPEAKER pro tempore. The pending business is the question of suspending the rules and passing the bill, H.R. 1965, as amended.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey [Mr. SAXTON] that the House suspend the rules and pass the bill, H.R. 1965, as amended.

The question was taken.

Mr. LONGLEY. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

Pursuant to clause 5 of rule I, the Chair announces that he will reduce to a minimum of 5 minutes the period of time within which a vote by electronic device will be taken on the additional motions to suspend the rules on which the Chair had postponed further proceedings.

## PERSONAL EXPLANATION

Mr. SMITH of Michigan. Mr. Speaker, on rollcall No. 128, I was outside the Chamber. Had I been present, I would have voted "aye."

## PERSONAL EXPLANATION

Mrs. SMITH of Washington. Mr. Speaker, I was unavoidably detained and was not able to cast a vote on H.R. 2160. If I would have been present, I would have voted "yes."

This bill contains provisions that make changes to existing law and allows disaster assistance to be continued to be made available in the Pacific Northwest for salmon fishermen. As we know, the salmon industry has been devastated in the Northwest because of a variety of factors. In Pacific and Grays Harbor Counties, this once thriving industry has almost disappeared, causing severe economic dislocation. This disaster assistance made available in this bill will help mitigate the impact of the decline in the salmon industry in Washington State.

Again, I would like to advocate my strong support for the Cooperative Fisheries Management Act. I appreciate the fine work of Chairman SAXTON in bringing this important legislation to the floor.
